

2016 Apprentice Skills Competition Schedule

Saskatchewan Piping Industry Joint Training Board is not hosting a UA Provincial Competition this year. What we are doing is hosting the Skills Saskatchewan Competition. It is our hope that UA 179 Apprentices decide to step up and take advantage of the opportunity to compete.

The first Competition on March 11, 2016 will decide who moves on to compete in the Skills Canada National Competition hosted in Moncton NB in June of 2016.

The winners of the March 11, 2016 Competition would also qualify to compete at the UA Western Regional in Manitoba in April.
